## PERSONNEL ACTION REQUEST (PAR)

### PERSONNEL ACTION REQUEST (PAR)

The Padded PAR (STD-680A) is designed to report coded information establishing an employee's Employment History record for the following:

- Appointment when new to State service.
- Appointment when returning to State service and history is not yet on the database.
- Appointment to an additional position when position history is not yet on the database.
- Other transactions when completing more than one PAR.

The Turnaround PAR (STD-680) is designed to report coded information about personnel, payroll and/or retirement changes in an employee's status occurring during the course of State employment.

When a PAR is processed at Personnel Operations (State Controller's Office), a confirming Turnaround PAR with the updated information is issued. The new Turnaround PAR provides notice to the appointing power that a change has been processed and provides an on going record of the employee's Employment History.

**NOTE:** For information or questions about completing the Padded/Turnaround PAR(s), contact the [Liaison Unit](#) at the [State Controllers Office](#). They are available from 8:00 a.m. to 12:00 p.m. and 1:00 p.m. to 4:00 p.m. Phone number (916) 322-6500 or CALNET 492-6500.

### T-LOG

The employee information is submitted to the State Controllers Office (SCO) through the PAR. Then certain information from the PAR is sent to CalPERS via the Transaction Log (T-Log). One very important section of the PAR is Section 505. This is where you provide the employee's account code.

### SECTION 505

The following pages provides the account codes for Section 505 of the PAR. However, before proceeding to the table, the following information is needed to help you determine what account a member should be placed in:

1. Member Classification – for the position the member is going into:
  - Miscellaneous
  - Industrial
  - Safety
  - CHP
  - Peace Officer/Firefighter (POFF)

You can refer to the [California Public Employees' Retirement Law \(PERL\)](#) if you need to determine the member classification. If after referring to the PERL and you still can not make a determination, then please contact CalPERS.

2. First-Tier vs. Second-Tier (Miscellaneous/Industrial members only)
  - Did the member elect Second-Tier at any time? If so, when?
  - Was the Second-Tier election for all past and future service? Or, future service only?
  - Effective 01/01/00 all new members are mandated into First-Tier. Between 01/01/91 and 12/31/99, new members were mandated into Second-Tier.

Please refer to the ["First-Tier vs. Second-Tier Chart"](#) in the "Membership – Civil Service/CSU" section for additional information.

## PERSONNEL ACTION REQUEST (PAR)

3. Social Security (Miscellaneous/Industrial members only):
  - Look for an account code with “N” if in 1961 the member elected no to Social Security for State service.
  - Look for an account code with “O” if in 1961 the member elected yes to Social Security for State service.
  - Any miscellaneous/industrial employee hired into State service after 1961 will have Social Security – look for an account code with “O”.
  
4. Medicare – this will apply if the member was first hired on/after 4/1/86 or the member was rehired following a permanent separation or break in service on/after 4/1/86 and is **not** eligible for Social Security. Look for an account code of “M”. Applies to:
  - Miscellaneous/Industrial members who elected yes to Social Security in 1961
  - Safety, POFF or CHP members
  
5. Collective Bargaining Unit (CBU):
 

Some account codes are based on what collective bargaining unit the member is in.

  - Currently there are 21 bargaining units 1 – 21.
  - Non-represented members are Supervisors, Managers and Confidentials (S, M, C)

6. Concurrent employment:
 

If the employee is currently in another position that is also covered by CalPERS, it is possible this position may not be reportable to CalPERS. Please refer to “Overtime Positions” in the “Membership – Civil Service/CSU” section for additional information.

Considering the above information, the following table will assist you in obtaining the employee’s account code.

Keep in mind that the account code tables are also located in the PAM. Account codes may change or be added as they are affected by legislation.

Note: For the non-representative “exempt” employee whose CBID (Section 126 on the PAR) is E01 through E21 they will be associated with the particular CBU. IF the employee’s CBID is anything else, i.e., E; E00; E48; E97; E99 etc., then they will be associated with all the other non-representative groups of Supervisors, Managers and Confidentials (S, M, C).
